

Old houses, Jakarta – Batavia, Dirk Teeuwen MSc

The old photographs are from > Haan, dr. F. W. de: Oud Batavia Gedenkboek, Platenalbum (Old Batavia Memorial Book, Picture Album); Batavia 1923
This album is a very valuable book in my personal library. It is not allowed to use these pictures without my consent. The more recent photographs were taken by Dirk Teeuwen, Holland.

1. Old Dutch-Chinese houses, Pintu Kecil Jakarta – Batavia; photo 1920

2. Chinese house along Jl Cengke (Prinsenstraat), Jakarta – Batavia; photo 1920
Shops are on the ground floor, living quarters on the first floor.

2.a Painting by Beekman, Jakarta – Batavia 1650. Kali Besar to the north, the Batavia's VOC-Castle is clearly visible. Left a Chinese house with shops on the ground floor and living quarters on the first floor.
